Sainte-Anne Fire Department

736 Traverse Road Sainte-Anne, Manitoba

Mission Statement

Our department's primary mission is to safeguard both person and property from fire and life safety hazards through prevention, public education and emergency response. We strive to provide the most efficient, effective and reliable fire protection service by protecting life, property and environment.

Our department will never jeopardize the safety of the public or our membership in an uncalculated manner while performing the tasks associated with our mission.

Our department has a strong commitment to fire safety and strives to offer the best fire service possible for our community by promoting a high level of training, dedicated & competent personnel and well-maintained equipment.

Ste. Anne Fire Services

The Ste. Anne Fire Department provides protection to the Town of Ste. Anne and surrounding RM of Ste. Anne. Through fire protection agreements with neighboring municipalities the coverage area includes parts of the R.M Tache, RM La Broquerie well as the town of Richer MB. Some of the services provided by the department include;

- Fire suppression;
- Motor vehicle incidence
- Vehicle extrication
- Hazardous Materials response
- Carbon monoxide response
- Various weather-related emergencies

Ste. Anne Fire Operations

- **Email:** firechief@steanne.ca

Background Check

A comprehensive background check is conducted on applicants to establish evidence of good moral character, a well-adjusted personality, community commitment and a pattern of conduct acceptable to the Ste.Anne Fire Department.

Hiring Process

- After the application deadline (**Appendix B**) has passed the hiring committee will review the applications and contact those who have been selected to advance to the interview stage.
- At the interview the candidate must produce their Class 5F driver's license, drivers' abstract.
- At the interview the candidate will be briefed as to the amount of training and the time commitment that is expected to successfully complete the NFPA 1001 Firefighter Level 1 program.
- The Fire Chief will inform the candidate of the interview whether they were successful at earliest opportunity. At this time the candidate will be asked to forward a Criminal Records Check.

Advancement/Training requirements

- Once background checks are completed and all requirements are met the candidate will be asked to attend an orientation class/first practice which will include;
 - A review of Ste. Anne Fire Department policies;
 - A tour of the fire department facilities;
 - Filling out necessary paperwork;
 - Overview of training schedule;
 - Distribution of textbooks and training material (if available) or as required.
- Successful candidates will then become a "Firefighter Recruit" and will respond to calls. At calls the firefighter recruit will be given basic firefighter duties to perform from the command officer(s) on scene (ie traffic control, fire scene set up/take down, assist regular firefighters with their air tanks exchange ect....) You will never be asked to perform a duty you are not trained and or certified for.
- At the earliest opportunity recruits will then begin a 12-18 month training period where they will complete the NFPA 1001-Firefighter I program (including NFPA 472-HazMat Operations). Usually starting in September.
- Throughout the Firefighter Level I training, the recruit will be evaluated on their performance. The department will provide a First Aid course for all recruits at the department's expense.
- Within the first 2 years the recruits will also receive Vehicle Extrication Training.
